He is an American singer, songwriter, and musician, he was born on 23 September of 1949. One of Springsteen's best-known singles, it was ranked 275th on Rolling Stone's list of "The 500 Greatest Songs of

All Time", and in 2001, the RIAA's Songs of the Century placed the song 59th (out of 365), remaining a favorite in classic rock.

This song is about a man who was born in the USA and when he grew up, he was sent to war, when he came home someone was told that his brother had died, he was never the same again. I chose this song because I have listened it to many times and I have never known the meaning, I search that this song has a lot of controversy, some people think that is a national anthem.
